
All Soldiers now retain some Organizational Clothing and Individual Equipment (OCIE) when they PCS. What you keep depends on the type of unit you are moving to.

The first step to determining which equipment you keep for your PCS is to download your clothing record from the AKO MY CLOTHING link:

You may ship OCIE at government expense as Professional Books, Papers, and Equipment (PBP&E). Keep OCIE separate from other household goods and lock the OCIE in a duffle bag or container. Make sure the transportation office and the mover know you are shipping OCIE as PBP&E.
