### What are the Warfighter Benefits?

- Parts Tracker provides current status for multiple document numbers query
- Query by NIIN Input provides storage location and condition of the item
- DODAAC Query provides all not-mission capable document numbers associated with the DODDAC input
- RF TAG Query provides current status of Shipping Location and in-the-box visibility
- Transportation Control Number (TCN) Query provides in-the box visibility of all document numbers attached to that TCN
- Commercial Tracking Number Query provides the name of the commercial carrier and movement of the package

Unclassified

## KEY FEATURES

- Document Number Queries will provide the Requisition Priority Code
- Document Number with Multiple Packages Query will now provide Multiple Package Nomenclature
- Parts locator has 'optional' location filter by country and state in the USA
- Asset Locator will provide CONUS/OCONUS Information of the Storage Location
