

HMMWV...

KEEP SPRAYS AWAY!

STEP AWAY FROM THE VEHICLE, PLEASE.

Keepest bug sprays, spray solvents and spray glass cleaners away from ballistic glass and plastic windows on HMMWVs.

The charge that puts the spray in spray can cleaners and bug sprays cracks ballistic glass. Liquid solvents can do the same thing to glass, but they're really murder on plastic windows, causing fogging.

So when you apply bug spray to your body, move away from the truck. And when you need to clean your truck's windows, do this:

Plastic Windows

- ▶ Wash the windshield with detergent and water, using a soft, clean cloth.
- ▶ Apply hand cleaner, NSN 8520-00-782-3509, with a clean soft cloth or sponge.
- ▶ Wipe off the cleaner immediately with a dry cloth.

Soap, water and hand cleaner for plastic

Ballistic Windows

- ▶ Clean the outside of ballistic windows the same way you clean plain glass. The inside surface is a plastic laminate that takes special care. Wash only when the glass is cool.
- ▶ Add detergent, NSN 7930-00-282-9699, to a gallon of water using the directions on the bottle.
- ▶ Saturate a soft cloth with the solution and lightly rub the window surface.

- ▶ Lightly rinse off the cleaner with water and dry with a soft cloth. Do not scrub.
- ▶ Apply polish, NSN 7930-00-634-5340, and let dry. Wipe clean.
