GET PUBS LIST FROM LOGSA

Dear Half-Mast,

I'm trying to put together a list of all the equipment pubs that my unit needs. Is there a CD or web site that will let me search for an end item's pubs by using the item's NSN?

M. M.

Ft Huachuca, AZ

Dear Mr. M. M.,

The bad news is that nothing allows you to do an NSN search for a complete listing of pubs for your unit's equipment—not even DA Pam 25-30, Consolidated Index of Army Publications and Blank Forms.

The good news is that the USAMC Logistics Support Activity (LOGSA) Equipment Oriented Publications Data Base (EOPDB) will put together a complete pubs listing for you.

If you use the Standard Property Book System-Revised (SPBS-R), download your property book info to an MS-DOS 3 1/2-in disk. If you don't use SPBS-R, contact LOGSA and ask for the LOGSA Equip Disk. It contains a simple IBM PC (DOS) compatible software program that prompts you for the required data.

Once you complete downloading the data to a disk, you can either mail or e-mail it to LOGSA.

Mail completed disks to USAMC LOGSA, AMXLS-AP, Redstone Arsenal, AL 35898-5000, or attach the file data to a message and e-mail it to eopdb@logsa.army.mil. For more info, call EOPDB toll-free at 800-270-1409, DSN 897-6115 or (256) 313-6115.

Half-Mast

THANKS,
SERGEANT
HALF-
MAST!
