

## MORE CARGO NETS

NSN 3990-01-491-4714 gets a cargo net for the M1077 PLS flatrack. This net is also used on the M3 and M3A1 flatracks. Use NSN 3990-01-491-4725 for a cargo net for use on all M923 and M925 model long-bed 5-ton trucks. These nets are like the ones shown on Page 10 of PS 591 (Feb 02). Make a note until these NSNs are added to the AAL for the flatracks and the trucks.

## WINDSHIELD WIPER BUSHING

You can't make wiper arms work on M44-, M39- and M809-series trucks without the bushing that fits between the motor and the arm. Get the bushing with NSN 3120-00-293-5041.

## Bradley Tarp

Crewmen, using the green tarp listed in the Basic Issue Items section of your operator's manuals is like painting a bull's-eye on your tan-colored vehicle. Keep your camouflage intact by ordering a tan-colored tarp with NSN 2540-01-330-8062.
