MOBILE KITCHEN TRAILER MAKE-OVER

The mobile kitchen trailer (MKT) covers take a beating from heat, dust, water and mildew.

So give your MKT a make-over with the MKT-I improvement kit, NSN 7360-01-469-5482. All of the MKT-I components are standard on the MKT-99.

Order just the parts you need from the upgrade kit below.

Remember, adding the kit does not allow storing camouflage nets on top during movement. You can't stand on them when they're raised either. The supports are not made to withstand extra weight. And don't forget the 1/2 ton trailer PMCS in TM 9-2330-213-14&P to keep those meals on wheels rolling safely.

Make a note of the new NSNs until the TM is updated.
