

NBC ON THE INTERNET

WEBSITES:

Y'KNOW, I THINK THERE WAS SOMETHING PLUT OUT BY THE ARMY ON YOUR MWO.

LET'S CHECK THE SBCCOM SITE FOR THAT.

YEAH, THEY'VE GOT ALL KINDS OF GOOD NBC INFO THERE.

The answers to many of your questions on NBC equipment are as close as your computer.

The Army Electronic Product Support (AEPS) website

<http://aeps.ria.army.mil>

takes you directly to the Soldier and Biological Chemical Command (SBCCOM) website for chemical defensive equipment, which includes masks, decon equipment, and smoke generators.

When you get to the AEPS website, look for AMC COMMANDS AND ACTIVITIES and click on SBCCOM.
