

CAN'T FIND MAINTENANCE STAND PARTS?

SERGEANT BLADE, THIS STAND DOESN'T SOUND OR LOOK TOO GOOD.

LOOKS LIKE YOU COULD USE SOME PARTS!

UNFORTUNATELY, THE LOW LEVEL MAINTENANCE PLATFORM, NSN 1730-00-269-8283, DOESN'T HAVE A TM.

IF YOU WANT TO GET RID OF THAT "CLINKING," "CLACKING," AND "WOBBLING"...

YOU CAN ORDER THE PARTS YOU NEED FROM THIS LIST...

- Wheel assembly with universal brake, NSN 5340-01-340-8799
- Latch assembly-clamping catch, NSN 5340-00-787-3209
- Catch, clamping latch, spring-loaded, NSN 5340-00-760-9241
- Quick release pin, NSN 5340-00- 935-8804
