

# WHAT'S PS WORTH TO YOU?

Some things are just plain useful. Some things have intrinsic value. And, sometimes the accountants amongst us want to quantify value and usefulness.

It's no different with PS. We know we have a good product. We know we are serving your needs. We take pleasure in your comments, and telephone calls, and emails that express your appreciation. Unfortunately, it's not enough.

The accountants want quantitative analysis of just how well we fill your needs. The only way to do that is to get information from you, our readers. We didn't want to burden you with a readership survey that would impose on your time. But we still need some quantitative means of evaluating our magazine.

So, here goes. We **are** conducting a readership survey. But, we are asking for volunteers to answer 21 questions. If you're willing to participate please send an email to:

[psmag@logsa.redstone.army.mil](mailto:psmag@logsa.redstone.army.mil)

Please title the subject line as SURVEY REQUEST. You can also fax us a request at: DSN 645-0961 or (256) 955-0961. We'll even accept snail mail requests at: Commander, Logistics Support Activity, PS Magazine Survey (AMXLS-AM), 5307 Sparkman Circle, Redstone Arsenal, AL 35898-5000.

You can also complete the survey online at:
