

AMDF A MAZE OF CODES

HELP!

ACT ADDL UN FC EIC SOS PS UT

Are you overwhelmed by the AMDF acronyms found on the Army Interactive FED LOG screens? Don't be dazed! Use FED LOG's outstanding help tools.

The icon line has a yellow question mark and a blue question mark with an arrow. The **yellow question mark** provides general info about the screen you're on.

The **blue question mark** is the context help icon. You click on the context help icon to get a question mark icon as your cursor. Point its arrow at the element on the screen you want more info on, click, and you get specific info.
