

IT
AIN'T A
HANDLE!

DO NOT-
WE SAY AGAIN-
DO NOT CARRY
THE AN/PRC-119
MANPACK RADIO
BY THE
AS-4266A
LONG-RANGE
ANTENNA;
NSN 5985-01-
425-7305.

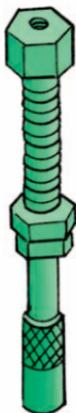

IF YOU DO, YOU
WILL BREAK THE
ANTENNA BASE.

WE KNOW THIS BECAUSE IT HAPPENS TIME
AND TIME **AND TIME AGAIN!**

CARRY THE RADIO BY THE CARRYING
STRAP, NSN 5340-01-461-4741. IF YOUR RADIO
DOESN'T HAVE THE STRAP, ORDER ONE FOR IT!

IF YOU HAVE A RADIO
WITH A DAMAGED
ANTENNA **BASE**,
REPLACE JUST THE
BASE. ORDER A NEW
BASE WITH NSN
5985-01-438-6768.

IF YOU HAVE A RADIO
WITH A DAMAGED
ANTENNA **MAST**,
REPLACE JUST THE
MAST. ORDER A NEW
MAST WITH NSN
5985-01-438-2224.

REPLACING ONE OF THESE PARTS IS MUCH
CHEAPER THAN ORDERING AN ENTIRE ANTENNA.
