

HMMWV...

SO, WHAD-DAYA THINK ABOUT MY SNOW PLOW IDEA?

THERE ALREADY IS A KIT!

SNOW PLOW KITS

THE ARMY'S COLD REGIONS RESEARCH AND ENGINEERING LABORATORY (CRREL) HAS DEVELOPED *SNOW PLOW KITS* FOR USE ON MANY HMMWV MODELS.

HERE'S WHAT'S AVAILABLE...

- * The complete package kit, NSN 3820-01-473-2777, which includes the snow plow with hardware and hydraulics
- * Removable plow assembly, NSN 3820-01-473-2783
- * Affixed vehicle plow kit hardware, NSN 3820-01-473-2793

Instructions come with each kit, but only depot is authorized to install it on your HMMWV. If your maintenance facility doesn't have depot capability, call the CRREL at DSN 220-4470 or (603) 646-4470. They can help you arrange an appointment with the plow's manufacturer to install it on your HMMWV.

The plow can be mounted on all basic M998, M1037 and M1097 models, except those with a winch.

Never drive over 10 mph while plowing
