

Tailor Pubs to Unit Needs

SELF-SERVICE IS APPEALING TO MANY AMERICANS...

...BECAUSE WE DON'T HAVE TO DEPEND ON OTHERS TO GET WHAT WE NEED.

THERE ARE TWO WAYS YOU CAN FIGURE OUT WHAT PUBLICATIONS YOUR UNIT NEEDS.

YOU CAN EMAIL THE LOGISTICS SUPPORT ACTIVITY (LOGSA) EQUIPMENT ORIENTED PUBLICATIONS DATA BASE (EOPDB) TEAM AND...

...WE'LL RUN THE REPORT FOR YOU.

OR YOU CAN USE THE LOGSA LOGISTICS INFORMATION WAREHOUSE (LIW) TO RUN THE REPORT ONLINE YOURSELF.

REGARDLESS OF WHICH METHOD YOU USE, YOU MUST ENTER THE RIGHT INFORMATION TO GET THE RIGHT RESULTS.

IF YOUR UNIT IS TRANSITIONING TO NEW EQUIPMENT OR MISSIONS, BE SURE YOU ARE USING THE NEW LIC/MTOE/LIN INFO TO GET NEW EQUIPMENT PUBLICATION LISTS.

EOPDB Team

Using the team means that you get their expertise in dealing with the database. You also get three reports (the Pubs, LIN and Reject Reports) in place of the single LIW report.

REJECT LINS	REPORT BY PUB NUMBER	REPORT BY LIN
90937N	LIN P91756	P91756
95157N	NIIN 013388010	013388010
97274N	LO 10-4320-316-12	-4320-316-12
99161N	PUMP UNIT, DIESEL, 65 GPM	UNIT, 65
99172N		
A0316		
A0317		
A0318		

BUT, UNLIKE SELF-SERVICE GAS STATIONS, GETTING A PUBLICATIONS LIST ORIENTED TO YOUR EQUIPMENT ONLINE MAY NOT GET YOU EVERYTHING THAT THE EOPDB OFFICE WILL.

YOU CAN SAY THAT AGAIN!!

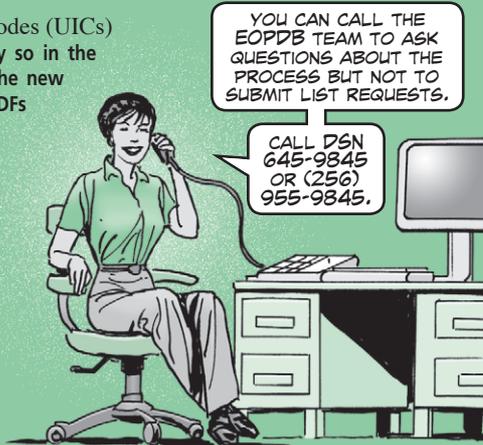

To use the team's expertise send an email to: logsa.eopdb@conus.army.mil

In the email, include:

- Your unit's unit identification codes (UICs)

NOTE: If your MTOE is changing, say so in the body of your email message. Send the new MTOE as a text format attachment (PDFs won't do). As an alternative to sending the new MTOE, you can reduce the new MTOE to a list of all its LINS and attach it as an Excel spreadsheet.

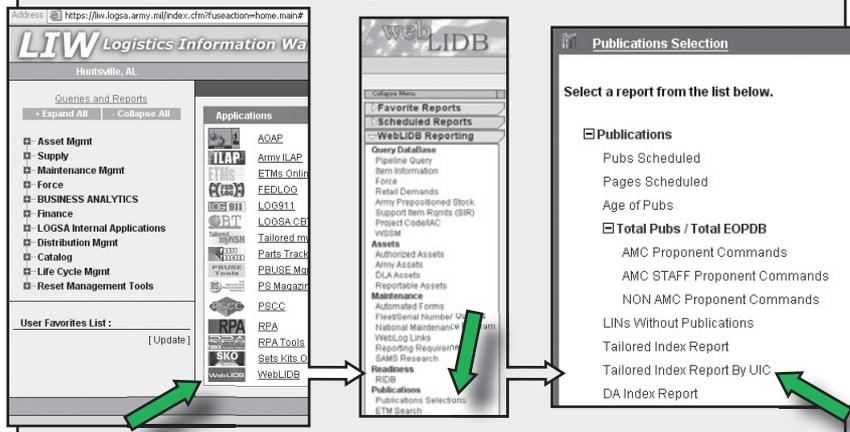

- The maintenance levels of work in your unit
- Your full name and rank
- Your unit's **complete mailing address**
- Telephone numbers where you can be contacted

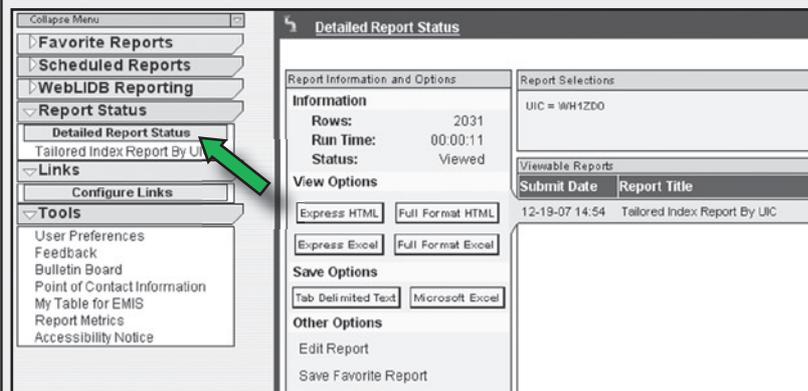

LIW Online Report

To run your own equipment publication lists on LIW you must have completed a systems access request (SAR). On the SAR you'll need to request access to the WebLIDB and ETMs. Go to <https://liw.logsa.army.mil>

Once you've logged in and are on the LIW homepage, scan down to the bottom of the middle column and click on WebLIDB. Then scan down the left column and click on Publications and then on Publication Selections. Click on Tailored Index Report By UIC, enter your UIC and click Submit, then click on the running man icon at the upper right to run the report.

To find the report, scan down the left column to Detailed Report Status. Click on it for options or the report under it for HTML.

The Detailed Report Status has several download options. On this screen, single click the report title. The options will appear to the left.

- If you click on either HTML button, you can click on the publication number of an equipment manual to get a link direct to that publication.
- There are several Excel spreadsheet options as well. Pass the cursor over the buttons for a short description of their uses.
