

ONCE SPENT,  
TIME IS  
SOMETHING  
YOU CAN  
**NEVER** GET  
BACK.

IT MARCHES  
RELENTLESSLY  
ON -  
CONSTANT AND  
UNCHANGING -  
SLOWING DOWN  
FOR NOTHING  
AND NO ONE.

SO, ARE YOU A TIME-  
WASTER OR DO YOU SPEND  
YOUR TIME **WISELY**?

TIME-WASTERS  
FIGURE THEY  
CAN DO THEIR  
PREVENTIVE  
MAINTENANCE  
**LATER.**

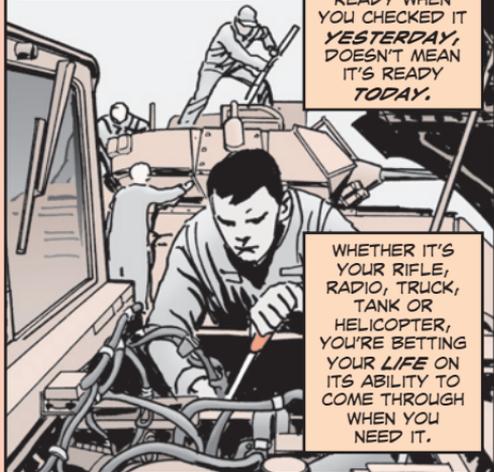

THEIR MOTTO  
IS "NEVER DO  
TODAY WHAT  
YOU CAN PUT  
OFF UNTIL  
TOMORROW."

SINCE THEY  
DON'T KEEP  
UP WITH THEIR  
EQUIPMENT'S  
PM, THEIR  
EQUIPMENT  
CAN'T KEEP UP  
WITH THEM.

SPENDING YOUR TIME  
WISELY MEANS DOING  
MAINTENANCE **NOW.**

AFTER ALL,  
JUST BECAUSE  
YOUR GEAR WAS  
READY WHEN  
YOU CHECKED IT  
**YESTERDAY,**  
DON'T MEAN  
IT'S READY  
**TODAY.**

WHETHER IT'S  
YOUR RIFLE,  
RADIO, TRUCK,  
TANK OR  
HELICOPTER,  
YOU'RE BETTING  
YOUR **LIFE** ON  
ITS ABILITY TO  
COME THROUGH  
WHEN YOU  
NEED IT.

**SO DON'T PUT OFF PM UNTIL LATER.  
LATER COULD BE TOO LATE!**
