

MICRO-CLIMATE COOLING SYSTEM PARTS

Operators and mechanics, PS told you on Pages 35-37 of PS 651 what maintenance tasks were authorized and not authorized on the microclimate cooling system (MCS).

To keep the MCS cooling, here are some NSNs for the cooling garment, the cooling unit and additional items you'll need for the MCS.

Need parts for MCS? Order from list!	Cooling Garment	
	NSN 8515-01-508-	Size
	1510	S
	1511	M
	1512	L

If you need a microclimate cooling unit, order one with NSN 8415-01-508-6626.

For the UH-60 and the CH-47 umbilical assemblies, order these parts:

UH-60 Umbilical Assembly

Item	NSN 4720-01-
Pilot hose assembly	548-9972
Copilot hose assembly	550-1866
Crew 1 hose assembly	549-5829
Crew 2 hose assembly	548-9966

CH-47 Umbilical Assembly

Item	NSN 4720-01-
Pilot hose assembly	561-9298
Copilot hose assembly	561-0939
Troop seat #1	517-2190
Troop seat #3	522-2721
Troop seat #32	522-2724

You'll also need the following for the MCS: propylene glycol, NSN 6810-01-181-7121; bacteriostatic solution, NSN 6840-01-546-5323; and a 12ml syringe, NSN 6520-01-173-2081.
