

# Ordering Pubs in Europe, SWA

WHAT DO  
THESE  
SOLDIERS  
HAVE IN  
COMMON?

THEY ALL  
ORDER THEIR  
OFFICIAL ARMY  
PUBS FROM  
**AEPUBS!**

If your unit is in the European Theater of Operations or deploying to Southwest Asia, the United States Army Publications and Distribution Center, Europe (USAPDCE) provides your publications and forms.

All Army units that use an APO AE address will use the USAPDCE Army in Europe Publications System (AEPUBS).

## What's That

AEPUBS is a web-based application that gives users access anytime and anywhere to the entire Army publications system and user-friendly account management.

## Establish an Account

Your unit publications clerk can create an AEPUBS account online:
