# Army Aviation PM Website

HAVE YOU BEEN  
LOOKING FOR  
**LIP-TO-DATE**  
INFORMATION  
ON YOUR  
AIRCRAFT?

**JTDI**  
Joint Technical Data Integration  
Product Data for the Pilots

First Time PKI Certificate (CAC)/REA User? Registration is required with our site so the applicable PM Office(s) can validate your need-to-know to access their aircraft/systems data. If you have not registered, please click the Register link below.

**JTDI Help Desk**  
(Please submit all support requests to the Help Desk email address below.)

- Email: [help@jtdi.us](mailto:help@jtdi.us)
- Toll-Free: 1-888-JTDI-SOS (583-4767)
- Online Assistance
- FAQs
- Customer Needs Form
- Documentation Center

**Not Registered?**

- Registration/Approval Process

**Common Access Card (CAC) Help**

- How to obtain a DoD PKI/CCA Certificate?
- How to install DoD Certificates?
- CAC Reader Host User Set-Up Guide

are entering into an Official United States Government System. As an official U.S. Government System for official use only. Do not discuss, enter, transfer, use, or transmit classified or sensitive national security information of greater sensitivity than that for which this system is authorized. Use of this system constitutes consent to security logging and monitoring. Unauthorized use of this system or the information on this system could result in criminal prosecution.

YOU CAN  
BREATHE  
EASY NOW.

THERE IS A  
**ONE STOP SHOP**—  
JOINT TECHNICAL DATA  
INTEGRATION (JTDI)—  
AVAILABLE FOR THE  
AVIATION COMMUNITY.

THOSE WHO HAVE  
VALID ACO/CAC/PKI  
CAPABILITIES CAN  
REGISTER FOR ACCESS  
TO THEIR PARTICULAR  
AIRCRAFT:  
<http://www.jtdi.mil>

On the site, you'll find PM contact information, technical publications info, newsletters, Air Worthiness Releases (AWR), AMCOM Aviation Safety Messages, Aviation Maintenance Actions Messages (AMAM), Aviation Safety Action Messages (ASAM), Maintenance Information Messages (MIM), Safety of Flight (SOF) Messages, and training information.

PM JTDI maintains the websites for various Army aviation PMs such as Aeromechanics, AH-64, Black Hawk, Chinook and Kiowa Warrior. Each website is managed separately by each PM. That means you do not have cross access to platforms other than your own airframe.

If you are a user of JTDI, check out the new and improved help desk:

<https://www.jtdisos.us>

Or you can call 1-888-JTDI-SOS (1-888-583-4767) for help.
