UMM... YOU
DON'T WANNA
KNOW!

ELSE Techs, if you haven't noticed, your HGU-56/P aviation integrated helmet system (AIHS) is changing color.

The helmet is now foliage green, so don't be concerned if you order one and the color doesn't match the old helmet. The color change will not affect form, fit or function and there won't be a change in the NSNs either.

If you still have helmets that do not have the communications ear plugs (CEP) installed, you can modify your helmets to install the CEP using MWO 1-8415-216-20-1. You have until 14 October 2011 to complete the modification work order.

ALSO, YOU
CAN ORDER
HELMETS
WITH
THE CEP
INSTALLED
BY NSN.
