Generators...

Hydraulic Pump Warranty

IF YOU HAVE A 100-KW TACTICAL QUIET SKID-MOUNTED GENERATOR, NSN 6115-01-296-1463...

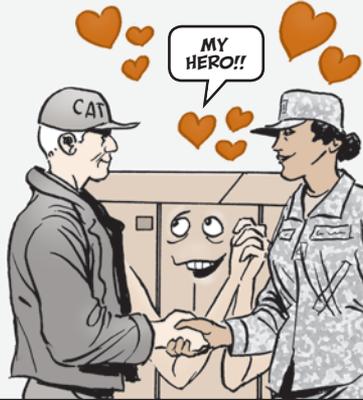

...OR TRAILER-MOUNTED GENERATOR, NSN 6115-01-471-7088, HERE'S THE LATEST WARRANTY NEWS...

CATERPILLAR, INC. (CAT), WHICH MAKES THE GENERATOR'S ENGINE, HAS EXTENDED THE WARRANTY ON THE UNIT INJECTOR HYDRAULIC PUMP, NSN 2915-01-521-8527.

THERE'S A CHANCE THE PUMP COULD WEAR OUT BEFORE THE GENERATOR'S 12,000-HOUR LIFE SPAN.

IF IT DOES, A CAT DEALER WILL REPLACE THE FAILED PUMP AT YOUR LOCATION FREE OF CHARGE.

MY HERO!!

WARRANTY

THE WARRANTY COVERS ONLY GENERATORS WITH PUMP FAILURES.

IT'S IN EFFECT THROUGH 30 JUNE 13.

TO QUALIFY, THE GENERATOR MUST BE LESS THAN 72 MONTHS OLD FROM THE DATE OF MANUFACTURE.

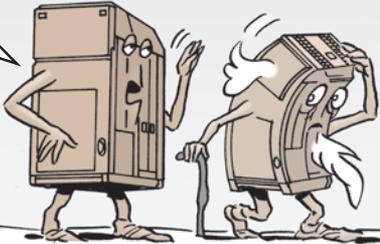

THE DATE IS STAMPED ON THE DATA PLATE.

IT MUST SHOW LESS THAN 12,000 ENGINE RUN HOURS ON THE CONTROL PANEL.

TO FIND A CAT DEALER NEAR YOU, GO ONLINE TO: <http://www.cat.com>

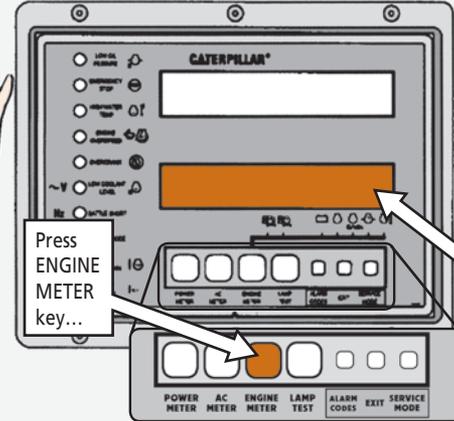

SORRY OLD TIMER BUT YOU'VE BEEN AROUND TOO LONG TO GET YOUR PUMP REPLACED FOR FREE!

WHETHER YOU MEET THE DEALER IN PERSON AT YOUR LOCATION OR SHIP THE FAILED PUMP TO HIM, HERE'S THE INFORMATION HE'LL NEED WHEN YOU ASK FOR HIS SUPPORT...

- Product support program number PS52035, dated 9 June 11
- Your unit name, address and shipping address
- Point of contact, phone number and email address
- Generator serial number and date of manufacture. Both are stamped on the data plate.
- Number of engine run hours at the time of failure

Press ENGINE METER key...

...lower display shows engine run hours

- Engine serial number. It's on the engine block behind and below the coolant overflow bottle.

REMEMBER, THE REPLACEMENT PUMP IS FREE.

THE WARRANTY ENDS ON 30 JUNE 13.
