

SHIELD PROTECTS TAILPIPE AND LIVES!

INSURGENTS HAVE A NASTY HABIT OF LEAVING FOREIGN OBJECTS -- LIKE A GRENADE OR IED -- IN THE MAXXPRO'S TAILPIPE.

THE END RESULT IS A DESTROYED VEHICLE AND SOLDIERS KILLED.

YOU CAN PUT A STOP TO THAT BY INSTALLING A TAILPIPE SHIELD, NSN 2990-01-614-1951, ON YOUR VEHICLE.

THAT KEEPS *EVERYTHING* OUT OF THE TAILPIPE!

MADE FROM ALUMINIZED STEEL, THE SHIELD COMES WITH FASTENERS THAT BOLT IT ONTO THE TAILPIPE.
