

FOLDING TROOP SEATS

**HOLD UP!
PULL MY PIN
FIRST!**

**DON'T
WORRY, I
GOT THE
PIN.**

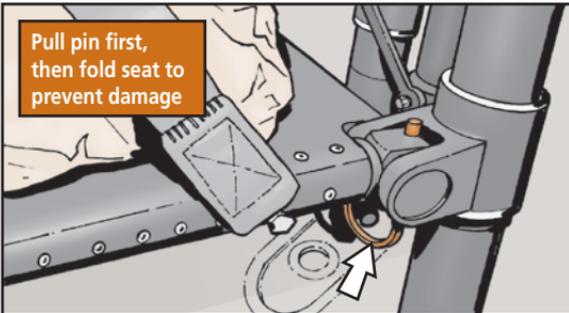

**YA SEE, I FOLD REAL
EASY AS LONG AS YOU
PULL MY SEAT PIN!**

**MECHANICS, YOU'VE
PROBABLY NOTICED
THAT THE M-MODEL
BLACK HAWK TROOP
SEAT FOLDS
DIFFERENTLY.**

**SO, WHEN YOU FOLD
THESE TROOP SEATS,
MAKE SURE YOU PULL OUT
THE PUSH PIN FIRST, THEN
FOLD THE SEAT UP AND
RE-INSERT THE PIN.**

IF YOU FORCE THE SEAT UP WITHOUT PULLING THE PIN, YOU COULD ELONGATE THE PIN HOLE OR BREAK THE PIN WHEN IT CATCHES ON THE OPENING.

**Pull pin first,
then fold seat to
prevent damage**

A BROKEN PIN MEANS THE SEAT WILL SAG OPEN AND WON'T STOW PROPERLY IN THE UP POSITION.

**REMEMBER, PULL THE
PINS, FOLD THE SEATS UP,
THEN PUT THE PIN BACK IN.**

**EASY AS
ONE, TWO,
THREE!**
