

# Check Out Improved ATN Website

A RECENT REDESIGN OF THE ARMY TRAINING NETWORK (ATN) WEBSITE HAS MADE IT EASIER TO FIND TRAINING MATERIALS.

HERE ARE SOME OF THE IMPROVEMENTS...

The screenshot shows the ATN website interface with several callout boxes:

- Top Menu:** A new top menu item called "myFavorites." You can personalize your visits by saving your favorite ATN web pages here.
- What's Hot:** In the top center of the front page, the "What's Hot" box is a quick way to check out current and popular topics.
- Unit Training Management (UTM):** On the left side, you can now directly access unit training management information.
- NCO Corner:** On the right side, the "NCO Corner" leads to a variety of topics of special interest to NCOs.
- Topic Sections:** TOPIC SECTIONS ARE CLEARER, LIKE "Featured Content," "Training for Current Operations," "Leader Development," AND "Fundamental Soldier Skills."
- Bottom:** At the bottom of the front page, the training bulletin board and a tabbed area offer fast access to the Digital Training Management System, resources, ATN downloads and uploads.
