

THE COLD WEATHER HERMIT

THE ALASKAN TUNDRA
IS A COLD AND
UNFORGIVING PLACE...

AHH, MY NAME DOESN'T REALLY MATTER. MOST FOLKS JUST CALL ME THE COLD WEATHER HERMIT.

THIS CAVE IS MY HOME.

A LONG TIME AGO, I LOST A SQUAD MEMBER TO COLD WEATHER.

I VOWED THAT I WOULD DO EVERYTHING I COULD TO KEEP THAT FROM HAPPENING AGAIN.

WHERE ARE YOU GOING?

YOU TWO WARM YOURSELVES. I'M GOING TO CHECK OUT YOUR TRUCK.

A FEW MINUTES LATER...

JUST AS I THOUGHT. THIS LOOKS WEAK AND VERY DIRTY.

WHAT IS THAT? IT LOOKS LIKE ANTIFREEZE.

THAT'S EXACTLY WHAT IT IS!

THE FREEZE AND CORROSION PROTECTION PROVIDED BY YOUR VEHICLE'S COOLANT WEARS OUT OVER TIME.

IF THE COOLANT IS **NOT** CHECKED REGULARLY AS PART OF PREVENTIVE MAINTENANCE...

...YOU CAN END UP ON THE SIDE OF THE ROAD WITH AN OVERHEATED ENGINE.

ERR... THAT SOUNDS KINDA FAMILIAR.

THIS COMBINATION ANTIFREEZE AND BATTERY TESTER, NSN 6630-00-105-1418, TESTS FOR FREEZE PROTECTION ALL THE WAY DOWN TO -50°F.

BUT IT'S **ONLY** FOR 50/50 BLEND ANTI-FREEZE.

ANTIFREEZE TEST KIT, NSN 6630-01-011-5039, TESTS FOR NITRITE (FREEZE PROTECTION) DOWN TO -60°F.

THE TEST STRIPS IN THIS KIT CAN BE USED FOR **BOTH** 50/50 AND 60/40 ANTIFREEZE BLENDS.

USE **COMMERCIAL TEST STRIPS** TO TEST THE CORROSION PROTECTION LEVEL OF ANTIFREEZE.

THE IDEAL NITRITE CONCENTRATION FOR BOTH 50/50 AND 60/40 ANTIFREEZE IS BETWEEN 1,200 AND 1,400 PPM.

BUT THAT'S NOT ALL!

FOR MORE INFO ON TESTING ANTIFREEZE, TAKE A LOOK AT TB 750-651...

...USE OF ANTIFREEZE MULTI-ENGINE TYPE CLEANING COMPOUNDS AND TEST KIT IN ENGINE COOLING SYSTEMS.

YOU CAN FIND IT ON LOGSA'S ETM WEBSITE.

THAT ABOUT WRAPS IT UP, BUT...

...THERE'S ONE MORE THING YOU OUGHTA KNOW...

...TO KEEP YOUR FMTV UP-TO-SNUFF IN COLD WEATHER, YOU'LL NEED THIS LIST OF NSNs FOR ETHYLENE GLYCOL-BASED ANTIFREEZE.

Item	Size	NSN 6850-
Concentrated antifreeze A-A-52624	1-qt can	00-664-1399
Concentrated antifreeze A-A-52624	1-gal bottle	01-464-9125
Concentrated antifreeze A-A-52624	5-gal container	01-464-9137
Concentrated antifreeze A-A-52624	55-gal drum	01-464-9152
Pre-diluted antifreeze A-A-52624	1-gal bottle	01-464-9266
Pre-diluted antifreeze A-A-52624	5-gal container	01-464-9263
Pre-diluted antifreeze A-A-52624	55-gal drum	01-464-9096

THAT WOULD BE A GREAT CHART TO POST IN OUR MOTOR POOL.

WELL, THE BLIZZARD IS FINALLY LETTING UP. YOU TROOPS OUGHT TO GET GOIN'.

HERE, TAKE THIS COOLANT WITH YOU. IT SHOULD GET YOU SAFELY BACK TO FT. WAINWRIGHT.

AND WHEN WE GET BACK, WE'LL GIVE OUR FMTV A PM MAKEOVER!

WE'LL NEVER FORGET THIS. YOU *SAVED* OUR LIVES.

THAT ANTIFREEZE DID THE TRICK! GUESS WE CAN HEAD HOME NOW.

HEY! THE CAVE'S GONE DARK!

HUH!? WHAT HAPPENED TO THE COLD WEATHER HERMIT?

UHH...MAYBE WE SHOULDN'T MENTION THIS TO ANYONE BACK AT THE MOTOR POOL.

GOOD IDEA. LET'S JUST KEEP IT TO OURSELVES.

THE ALASKAN TUNDRA IS A COLD AND *UNFORGIVING* PLACE...

...BUT COLD WEATHER PM WILL *WIN* THE RACE!
